### Claude Monet and Édouard Manet

The range of middle values is diminished in favor of greater contrast of light and dark.

### Edouard Manet

One eye is never exactly the same as the other. His adventures during his trips have impacted his concept of various art forms and styles. His influence on this group of artists was great, although he chose never to exhibit his work alongside them.

### Claude Monet and Édouard Manet

Manet's *The Luncheon on the Grass* and *Olympia* were next to be received with mocking sarcasm and the artist's hopes for a long career in the artistic world were dashed. Although Manet was also fond of using lighter colors, his paintings often had a hint of black, which was not typical in most paintings during his time. In the mid 1860s Manet traveled to Spain to see the works of Velazquez and other artists that he highly admired.

### Edouard Manet: Facts and Information

Alongside painting Manet enjoyed drawing and print making. Edward passed the entrance exams to the Maritime school, but failed.

### Édouard Manet Paintings, Bio, Ideas

There has also been some speculation that Leon was actually Manet's father's child, but this is extremely unlikely. Edward always loved his home.

### Claude Monet and Édouard Manet

**Personal Background** Born on January 23, 1832, in the bustling city of Paris, Édouard Manet was blessed to be a part of a well-off family. He remained passionate about art even until his untimely death, in 1883.

### Edouard Manet (7) interesting facts about life of the great artist

During life: During his lifetime Manet received mixed critical reception from the general public and art critics in Paris, France.
