Sane Sex Life and Sane Sex Living: Some Things That All Sane People Ought to Know About Sex Nature and Sex Functioning; Its Place in the Economy of Life Its Proper Training and Righteous Exercise by Harland William Long

The woman is hurt, sometimes most cruelly, and the man in reality gets only a beastly gratification from the act. . This philosophy of vulgar denial? But my experience has proven that I was wise in this regard, as these very details have saved the day in more than one case, as the parties who have reported to me, after having read what I have written, have frequently testified.

21 Sex Moves and Tricks That Men Love

This is a brief description of the act of coitus and of the means by which pregnancy takes place.

Sane sex life and sane sex living; some things that all sane people ought to know about sex nature and sex functioning; its place in the economy of life, its proper training and righteous exercise. (Book, 1922) [mikhmon.us.to]

This is a thousand times truer for the woman than for the man, for it is she who has to bear the burden of what follows, if following there be.

Sane Sex Life and Sane Sex Living: Some Things that All Sane People Ought to ...

We are supposed to keep our mouths shut. Again, as the organs become ready for the act, nature has provided a most wonderful means for bringing about their easy and happy union.

Sex After Sexual Assault: Survivors Share Their Stories

This is no hardship for the husband, if he be a true lover. Through it all, motherhood misunderstood. Palpitation follows palpitation, through all the sexual area; the mouth of the womb opens and closes convulsively, the vagina dilates and contracts again and again, and the vulva undergoes similar actions.

Sane Sex Life and Sane Sex Living by H. W. Long

That sex might be an ascent. Usually ships within 6 to 10 days. Their sexual organs are dormant, and nothing can arouse them to activity.

Sane Sex Life And Sane Sex Living

My experience is, that the preface, as it stands, has been the means of putting the readers of the book into a right mental attitude for its successful study and consideration. Among some European nations, attempts have been made to make it impossible for husbands and wives to cohabit except for reproductive purposes. But let his wife take his penis in her hand for the same length of time, and the flow of prostatic fluid will at once take place.

Sane Sex Life and Sane Sex Living by H.W. Long

But there is another phase in the sex life of human beings, which is entirely different from that of all other animals, and which must therefore be considered beyond all that needs to be said regarding the act of coitus for reproductive purposes only.
