**The 9 Most Haunted Cemeteries In**

### Texas

Probably members of the other families in the community are also buried there.

### Franklin County Cemeteries

Today, the area is still frequented by church goers who attend Union Hope Chapel, but also the final resting place for numerous black residents who helped settle the small town of Slocum in Anderson County.

### Cemeteries of Texas, Gloria B. Mayfield

The oldest burial we have been able to document is that of John Miller who died on 6 Dec 1903.

### East Texas Cemeteries, Gloria B. Mayfield, Project Manager

There has been an old marker for Robert L. It is on the M.

### Black family works to restore roughly 200

This is an abandoned cemetery about one mile northwest of Hagansport on land belonging to Mr. Today, Katie writes for the Texas and Arizona pages of OnlyInYourState. She says that multiple times a week her mind wakes up while her body still sleeps.

### The 9 Most Haunted Cemeteries In Texas

One local said the shadowed apparition showed up about a hundred yards away, within the image of the camera, and was looming not ten feet away in less than a minute later. From Detroit proceed east on FM 2573 about a mile to the first road right or south, CR 2127, and the cemetery is located on the south side.
