## Meiroku Zasshi

However, because it showed a critical stance against a family system of patriarchal authority in Japan, a view of marriage in Western style had been gradually spread. Meiroku Zasshi: Journal of the Japanese Enlightenment. Even a cursory glance at the contents of the journal during this period tends to support Professor Havens' contention.

## Comte, Mill, and the Thought of Nishi Amane in Meiji Japan on JSTOR

We want you to be 100% satisfied in all your dealings with us. The reasons for this were to escape from an influence of Chinese civilization and to achieve civilization by changing characters more simple for all people to be able to read.

## Meiroku Zasshi: Journal of the Japanese Enlightenment by William Reynolds Braisted

Meiroku Zasshi: Journal of the Japanese Enlightenment. This was because there had not been an idea of being an subject holding a free and independent right in Japan until then. Secondly, as to the opinion to express Japanese in Roman characters, 'Roma-ji kai' as association of Roman characters was established in 1884.

## Meirokusha

Formed in 1941, the Association for Asian Studies--the largest society of its kind in the world--is a scholarly, non-political, and non-profit professional association open to all persons interested in Asia.

## Meiroku Zasshi = Journal of the Japanese enlightenment / translated and with an introduction by Will...

On the background that 'Churyoekichoku' was criticized as 'apathy and sense of powerlessness' in the period, there was a change of viewpoint on human beings. Before the establishment of, showed his opinion about this for the first time, and he proposed to abolish kanji Chinese characters and write hiragana Japanese syllabary characters with putting space between characters like English.

**William Braisted, assisted by Adachi Yasushi and Kikuchi Yūju. Meiroku Zasshi: Journal of the Japanese Enlightenment. Tokyo: Tokyo University Press, and Princeton, New Jersey: Princeton University Press, 1975, 532 pp. Y6,500., Journal of Asian and African Studies (in 2002 continued as African and Asian Studies)**

In this connection, many of them had an experience to go abroad at the end of Edo period or in the period, and were never influenced by the thought of reverence for the Emperor and the expulsion of foreigners. The Meirokusha was the idea of Mori Arinori who, upon his return to Japan from Washington D. It can be also said that it ended with asking future generation to solve problems.
