Lunar Reconnaissance Orbiter Camera

Control the sun angle with Flip Book, an interactive timelapse, or compare before-and-after images of new lunar impacts with an interactive slider. In this case, that means directing an A-10 Warthog to where the enemy has taken up position. Staff Sergeant Travis Sanford spent them proving he belonged.

Lunar Reconnaissance Orbiter Camera

SWIPE TO SEE WHAT IS REQUIRED TO BECOME A SR, SO YOU CAN PREPARE BEFORE ENTERING THE PIPELINE. Only a few have what it takes to make it all the way through, but those who do are prepared for anything. By combining LROC imagery, data, and historical data, we've created detailed, interactive maps of the Apollo Landing Sites and many more.

Mikie Sherrill alleges lawmakers gave groups 'reconnaissance' tours through Capitol before riots

Building upon what they learned during the pre-dive course, SRs undergo extensive combat dive training so they can provide battlespace awareness whenever, wherever. ANYPLACE, ANYTIME, ANYWHERE INFORMING THE FIGHT SSgt Travis Sanford Some spend their first few days on the job getting settled. Sometimes this requires dropping in from above.

U.S. Air Force

In addition to continuing the rigorous fitness training, they also learn how to collect any and all data that could affect the battlespace. These Special Warfare Airmen deploy by any means - from airborne, maritime, or land-based platforms - deep behind enemy lines to collect and exploit key information, develop targets, and tilt the battlespace in our favor. Air Force, and to prepare both mentally and physically for life as an Airman.

Lunar Reconnaissance Orbiter Camera

These Airmen training to become CCTs are doing just that to prove they belong among the most elite warriors on the planet. Candidates will undergo intense strength and conditioning training, by running, rucking, and swimming extensively.

U.S. Air Force

This is where they receive survival, evasion, resistance, and escape training that will likely one day save their lives. Sherrill did not specifically identify which lawmakers she saw leading groups through the Capitol. But the one thing they all have in common is knowing how to fight.
