HURI also publishes scholarly monographs and the journal Harvard Ukrainian Studies. The Institute's programs are supported by three endowed professors in Ukrainian history, philology, and literature, and associated faculty and students at Harvard and other academic institutions.

Description: Feodosij Pečerskij

. Harvard Ukrainian Studies HUS , the journal of the Harvard Ukrainian Research Institute, serves as a forum for new scholarship in Ukrainian studies. HURI also fosters the study of all religious and ethnic groups that live in Ukraine, bridges between Ukrainian studies and the study of Russia, Poland, Turkey, Belarus, and Moldova, and maintains close relations with Ukraine's cultural and academic institutions.

Theodosius of the Caves, Saint approximately 1008

The journal cultivates an interdisciplinary approach that places Ukrainian topics in a broad scholarly context.

Vita di Feodosij : Nestor, approximately 1056

The Institute maintains a reference library, archives, and a seminar series in Ukrainian Studies. It publishes articles, documents with analysis or interpretation, and reviews.
