Bibliografía

See my description of the later edition, including the following. Pienso que por la piedad, caridad y amor de que muchas veces he usado contra los huéspedes me han hecho esta gracia los dioses».

Creighton University :: Aesop's Fables: 1400 to 1799

Croxall is first mentioned at the end of the dedication to Halifax. The frontispiece, presumably by Picard with a full explanation in French below it, shows Aesop dictating to La Fontaine with his muse. Así quedó este magnífico libro.

«Cervantes' ' Coloquio de los perros', a Novel-Dialogue». «A Lesser-Known 'Picaresque' Novel of Greek Origin: The Aesop Romance and Its Influence». There is also a great hand-drawn ink cartoon of some teacher? Campuzano in the «Casamiento» evinces a similar confusion about who he is: he pretends to be someone he is not, and he pays dearly for it.

Vida y obra de Samaniego / Emilio Palacios Fernández

Francois Philephe died in Florence in 1481. First, this little book has caused me as much anguish as any I have tried to win for the collection. Also, the Life provides a possible source for the dogs' miraculous ability to talk.
