### **InsideSchools**

The physical education provided presently must be reviewed and the goals altered to ensure that the education the child receives is essential. You can hole punch all around edges and add yarn or raffia. I wonder: Will learning to read serve as a kind of portal to the enticing and wide-ranging world of learning for my daughters, or could it become a merely perfunctory task required by school for my DD1 and DD2? Students pitch ideas, rotate production roles and interact with local community members.

As a magazine exclusively for teens, you have the chance to make new friends and be involved in a creative, talented, and an intelligent group of aspiring writers, artists, and photographers. Graduates are eligible to apply for the Media Fellows II Program.

### **Drama, Dance & Music**

Our free afterschool and summer photojournalism programs teach middle and high school Bronx students to use photography, writing, and research to explore social justice issues, preparing them for college and future careers.
