Life and works of Piri Reis. The oldest map of America., A. Afetinan

Â Piri Reis had to secure the booty that he had captured and to do this; he decided to leave his ships in the Gulf and sailed to Egypt with three galleys; unfortunately, one sank on the way. The map of Columbus in Piri's possession, was drawn in 1498, and, since we know that Kemal Reis and Piri had fought against the Spanish in 1501, Piri's acquisition of the map during that war is quite plausible.

The Oldest Map Of America Drawn By Piri Reis

The Map Itself Hand drawn on gazelle skin vellum, this map was the creation of Ahmed Muhiddin Piri, a geographer and cartographer for the Ottoman Empire around the 15th-16th century.

butlincat's blog...a seeker of the truth: The Piri Reis Map

The Piri Reis Map actually matches the real coastal bulge at H far better, except there's no river there.

Piri Reis Map and Claims of Antarctica

While features suggestive of advanced geographical knowledge are shown in the map itself, the and illustrations paint a different picture.

Piri Reis' Map: A Map to Intrigue East and West Alike

Today, as noted by authors such as , , and others, various enigmas remain standing about the Piri Reis map, especially in regards to Latin America and the Southern regions of our planet, as the map supposedly outlines the Antarctic continent, but with rivers and mountains that would not have been visible if the continent was covered in ice. The chart was originally discovered in Istanbul, Turkey. Чрез намаляването на всички карти в един мащаб е постигната тази окончателна форма, така че тази карта на тези земи се разглежда от моряците като толкова точна и надеждна, колкото са точността и надеждността на Седемте морета на гореспоменатите карти.

Piri Reis map — Wikipedia Republished // WIKI 2

Among the legible words are San Cilorni, Monte Krago, Detonos, Die Sagram, Ponte Sogon, Didas and Sare. Along the bottom section, the map appears to show the northern coast of Antarctica.
