## SOMOS PRIMOS: Spanish Patriots in the American Revolution

My dearest Kate, The House is up; but I am very sorry to say that I must stay at home.

**Amelia Gora**

In the Arkite Rites, the pastos represented the ark in which Noah was confined. Scholars of the Bern Library realise the coat-of-arms cards the Zürich Library is selling never include their Canton of Bern, but the young nobles buying these cards haven't seemed to realise and think the Bern cards must simply be very rare.

## Mackey's Encyclopedia of Freemasonry

Civilisation in Congoland: A Story of International Wrongdoing. Were they smothered in their beds, did Richard order this to take place, did he give the task to Sir James Tyrell when the Constable of the tower refused to do it, but agreed to hand over the keys for one night? The protestant emphasis on marriage made unmarried women and men suspect, as they did not belong to the type of household regarded as the cornerstone of a proper godly society.

**Great Britain**

Resolved, That a committee of one member from each State be appointed, to take into consideration the foreign affairs of these United States, and also the conduct of the late and present commissioners of these States in Europe, and report thereon.

### **The Works of Benjamin Franklin, Vol. IX Letters and Misc. Writings 1781**

Fleet-building continues at a fever pace, as French sea raiders begin operations in the Bay and Channel.

### **Medieval Jewish seals from Europe**

The three lesser leaders present stand to the side, discuss how to fix it. Such an official seal was not a Jewish seal but was one used in connection with Jewish documents by Christian officials.

### **Secret Diplomacy**

Having received no answer to the requests I then made, I have now only to add, that my situation, which for eight months past has been peculiarly distressing, is now become such as to oblige me to leave this city without further delay, and therefore I again most respectfully entreat of Congress to inform me, if they expect further information from me respecting their foreign or other affairs, and, as I shall without loss of time return to Europe, that I may be informed if they have any further commands for my service, and in what manner my past transactions, as their agent and commissioner, are to be adjusted and closed. I see a press more mean, and paltry, and silly, and disgraceful than any country I ever knew.
