Karl Marx

Even as he was working on three volumes of Das Kapital, he was complaining to friends about the 'carbuncles on my posterior and near the penis, the final traces of which are now fading, but which made it extremely painful for me to adopt a sitting and hence a writing posture'. .

Karl Marx The personal life of the founder of modern Communism

Marx also partially suggests that this occurred because of class conflict and struggle, stating that if society is not functioning the way it should in the current system, it will change. In outline, then, the theory has a pleasing simplicity and power. Karl Heinrich Marx was born into.

Karl Marx is a titan of terror whose communist ideology murdered millions

All we can do here is gesture at the history and mention some further reading.
