Monaghan Genealogy

For a period it was united with Donagh parish and later still with Monaghan parish. The manner was much more subtle and gave less cause for irritation by evicting an occasional tenant and gradually filling the vacant holdings with descendants of planters, which was continued with occasional periods of cessation until the rise of the Land League in 1787-79.

The History of Monaghan for 200 Years, 1660

Occasionally an entry of some interest might appear. Each of these schools is aided by subscriptions, and at Salloo is one supported by J.

Monaghan Genealogy

Includes transcriptions of many, many Monaghan graveyards.

Monaghan Genealogy

There is very little record of the old Monastery of Muckno.
