Word Freak: Heartbreak, Triumph, Genius, and Obsession in the World of Competitive Scrabble Players

Our library is the biggest of these that have literally hundreds of thousands of different products represented. By the time Fatsis is getting to be any good, we've already seen all his strategies used by better players.

Word Freak: Heartbreak, Triumph, Genius, and Obsession in the World of Competitive Scrabble Players by Stefan Fatsis

Tens and twenties are exchanged and surreptitiously pocketed with a glance over the shoulder.

I needed, horrors, a hobby. Matthew seems to have a predilection toward random proclamations about Scrabble, language, or virtually any other subject.

Word Freak: Heartbreak, Triumph, Genius, and Obsession in the World of Competitive Scrabble Layers

Need to learn my threes. I am slightly familiar with the world of competitive chess and the regulars of bingo- of competitive sports as well.

[Word Freak]

Excerpted by permission of Houghton Mifflin. For enthusiastic amateurs like me I have the original score cards from games with my father more than 50 years ago, Scrabble is an enjoyable brain exercise and genteel social activity. A lingering Q is like an unwanted houseguest, gnawing on your nerves, consuming your attentions, refusing to take the hint and get lost.

Word Freak

Fatsis clearly doesn't regard Scrabble as just 'a board game,' and he tells us its history in loving detail. He learns that in order to become a champion Scrabble player, you have to make it your life: study constantly, develop anagramming skills, memorize 2, 3, 4, 5, 6, 7, and 8 letter words and their modifiers, and learn and re-learn the combinations of letters to make all-important bingos the 50 point bonus earned by using all 7 letters on your rack.

Word Freak

He describes his initial frustration at losing to the blue hair set to even more frustration at not grasping expert game strategies. Matthew tells me he is a poet. Not many, true, but they do exist.
