Conversation: A history of a declining art, by Stephen Miller

If you make a new colleague comfortable while waiting for a business meeting to start, you will be sought after in future business dealings. . Great brilliance, fantastic powers of recall and quick wit are clearly valuable in sustaining conversation at these cosmic levels.

The art of conversation

Four o'clock to seven; bring your wits.

Empty cities have long been a post

Why do you think you had the reaction? A Patriotic Politics for Canada, Montreal and Kingston: , 2003, , applies that philosophy to the Canadian case.

Conversation: A History of a Declining Art by Stephen Miller

Be sure to listen more than talk at this point; a good conversationalist knows when to listen. No single person should dominate the conversation, so keep your answers to the point. Eh - kind of a snore, and the fact that it was reminiscent of something I would have written as an undergrad didn't do it any favors, either.
