## First Session: The Human Being

Had it not been supplied with the suitable kind of milk, would it not have starved to death? Allah swt is far above what they attribute to Him.

## First Session: The Human Being

When all this is accomplished, its mother gets labour pangs, which severely shake her to uneasiness, culminating in the birth of the infant.

## Fatawa Al

If Almighty Allah had got performed all these items and he has nothing to do by way of his activity, he would have begun to move on the earth on all fours and the earth would not have been able to bear his burden. The physician is not to be blamed but the patient who declined to follow the physician's direction.

## Quran Collection: Al Quran Al Kareem

The colours would have been meaningless without such ocular proficiency, since these colours exist as a means whereby things may be distinguished from one another, or the eyes may get recreation there from.

## Quran Collection: Al Quran Al Kareem

Consider it in the manner of a man migrating to another country from the prison of one country. They are allowed this respite to acquire a knowledge of the wisdom underlying therein, so as to become gnostic, and had these people appreciated all these boons, they would not have stayed in sin for so long.

**First Session: The Human Being**

Just consider a man's voice and conversation, and the constitution of the organs concerned therewith.

**Quran Collection: Al Quran Al Kareem**

Similarly if man were left unoccupied, he would have taken to pride and conceit and would have indulged in actions likely to harm him grievously.
