**Planning and Administering Early Childhood Programs by John R. Decker and Celia A. Decker (2004, Trade Paperback, Revised edition) for sale online**

The Enhanced Pearson eText is: Engaging. From the Back Cover: Continuing its tradition of excellence, the Tenth Edition of Planning and Administering Early Childhood Programs provides prospective and in-service directors and administrators the tools needed to effectively manage their programs. Included is coverage of current issues such as the factors affecting supply and demand for childcare as well as the initiatives to enhance program quality, ensure affordability, and provide access to all children and families.

## Planning and Administering Early Childhood Programs

At the time of her retirement, she held the position of professor of early childhood education at Northwestern State University and served as the program coordinator of graduate studies in early childhood education. In 1994, she was selected as the Outstanding Professor at Northwestern State University.

## Planning and Administering Early Childhood Programs

Our 98%+ rating proves our commitment! Chapter Quizzes at the end of each chapter present multiple-choice questions that align with learning outcomes and allow readers to test their knowledge of the concepts, research, strategies, and practices discussed in each section. Freeman is an associate professor of early childhood education and director of the Child Development and Research Center at the University of South Carolina. Based on a solid foundation of research, this text provides a wealth of strategies, tools, templates, and resources which make it an indispensable guide.

## **Decker & Decker, Planning and Administering Early Childhood Programs**

Both groups will find the book to be a resource that will ensure their success in their chosen field. Decker retired after an elementary teaching and administrative career of 37 years. The new interactive, multimedia learning features were developed by the authors and other subject-matter experts to deepen and enrich the learning experience.

### **Planning and Administering Early Childhood Programs by Nancy K. Freeman**

Note: This is the bound book only and does not include access to the Enhanced Pearson eText. In addition to coauthoring this text, she is the author of *Children: The Early Years* and its supplements and coauthor of *Parents and Their Children*, both published by Goodheart-Willcox Company.

### **Planning and Administering Early Childhood Programs by John R. Decker, Celia A. Decker, Herman Knopf and Nancy Freeman (2008, Trade Paperback) for sale online**

Possible writing in margins, possible underlining and highlighting of text, but no missing pages or anything that would compromise the legibility or understanding of the text. He has been recognized for his 30-year membership in Phi Delta Kappa.
