42 Tips and Tricks

We needed it for rules questions. The book does give the advanced player strategy tips. A team game that no one tires of, 42 relies on neither luck nor memory.

Winning 42: Strategy & Lore of the National Game of Texas

I'm already teaching it to my friends and look forward to increasing this games popularity! After each hand, the player to shuffle the tiles rotates to the left clockwise. I enjoyed playing the game in college, but I thought of it as mere entertainment. That's the magic of 42! Veterans who relish the logic of each domino played will find challenge in the advanced chapters and fascination in the history and lore.
