The payer may have been the subject of the article, or a competitor, rival, associate, independent entity, etc. Funeral services to celebrate the life of Mrs.

Lucy Pullen: Recognize Everyone

Justin Albert and the Dept. Aunt, Deborah Hackbarth and uncle and godfather, David Kline.

HUE LUCY PULLEN — Romer Young Gallery

She enjoyed genealogy, cooking crocheting and singing. Her works were included in survey The Festival of Independents, London, 2010 , How Soon is Now, Vancouver, 2009 , Ten by Twenty, San Francisco, 2004 , and Art Papers, Halifax, 1997. It may require cleanup to comply with Wikipedia's.

Soft Launch

Visitors interact with the work by playing on the swings. Her work is marked by conceptual ambition, technical daring, and antic humor.

Lucy M. Pullen

The artist gratefully acknowledges the support of the.

Lucy Pullen: Recognize Everyone

HUE is a topological study of intersecting hues. Pullen's work is built on paradox.

Soft Launch

Using sculpture, painting and video, with colored plexi-glass, reflective material, polished aluminum, corian and footage from a cloud chamber Pullen joyfully builds a creative response to an increasingly mediated society. For her upcoming exhibition, HUE, Pullen explores phenomena and color using a wide range of media.
