Current Jewellery Exhibitions

From space-age plastic hoop earrings to the hippie's beaded necklaces, jewellery expressed individuality, nonconformity and the aesthetic, political, and intellectual values of the person who wore it. Thomas Nichols, an English naturalist at the time the Cheapside Hoard was hidden, furthered the leap forward in gemological knowledge. Show toured London, Moscow and Warsaw.

JHT Past Issues

Opus Principibus, Medicis, Chymicis, Physicis, Aeliberaliorbus Ingeniis Vtilissimum. Among these precious objects, the jewels of Emanuele Centonze, Gaetano Jacoangeli, Vincenzo Miranda and the Ascione Manufactory are famous throughout Europe for diadems, brooches, clasps. The thin foil is cut and placed on an engraved plate and then the embossed sheet is removed, turned over and filled with resin to stabilise the relief.

The Heneage Jewel

The used plastograph plates like used lino blocks have sculptural low relief effects which make them unique as art works. Most of the rubies we viewed from this collection were smaller stones, many of them adorning an enameled perfume bottle see figure 1. While St Thomas Becket is an internationally renowned figure, his connections to London are rather less well-known.
