Initially, I had interest in receiving my masters degree in nursing education.

## School Nursing: Scope and Standards of Practice

With an FNP program in my future, I believe I can add to these competencies as an advanced practice nurse ANA, 2015.

## Scope and Standards of Practice Poster

In a profession as dynamic as nursing, and with evolving health care demands, changes in scope of practice and overlapping responsibilities are inevitable in our current and future health care system. Since the publication of the 2004 edition of Nursing: Scope and Standards of Practice, this topic has become even more prominent.
