Birčanin Ilija

With his drastic change in attitude, Zivko Kustic is trying to direct the Statement at the Catholic church.

Birčanin Ilija

Among the prisoners were several very senior members of the Communist Party District Committee in Gracac. The book Serbs and Albanians Through the Centuries by Petrit Imami, among other things, meticulously takes account of the cultural exchange between the two nations.

TRANSCRIPT

Thus just as Frye rejects progressive histories of literature, which manifest themselves in the cult of the original, so he rejects those attitudes toward history based solely upon metaphors of growth-toward-perfection. Сва су она везана за политику и филозофију, изван су политичке борбе и у подручју теорије, па опет израз политичког мислиоца Цицерона.

Knjževni krug

The world of Barbie: inside and outside.

Joseph (Genesis)

SD staff fears the fate of Danas, a Zagreb weekly noted for its crusading against official abuses in old Yugoslavia. Mr Milosevic's own children - Marko, 23, and Marija, 32 - are leading lights in this party set. That is why we will demand that the 10th of April be celebrated, not as a commemoration of NDH, but as a day of Croatian statehood.

Configure and pay for parallel jobs

About a dozen men sick with typhus were found in several villages, and these were all tortured and then shot on Djujic's orders near the village of

Bastasi. Who could blame the Serbs, their amateurish generals and their popinjay politicians for strutting the world stage as though they were heroes? Unemployment hovers around 50 percent, and most of the small factories in the area are on the verge of collapse. In his opinion, the result should be known in less than two weeks.

Peko Laličić, * * *

Teams have been compiling data separately in Bosnia and the statistics are even more grim. Unless we can recognize and respond to the element of play, Frye is saying, the irony will pass us by. Last week a team of forensics experts on loan from the Boston-based Physicians for Human Rights began digging up bodies in the Nostoski's back yard as international investigators pieced together a war crimes case against top Serv leaders who are alleged to have planned and overseen summary executions of from 5,000 to 8,000 Bosnians in northern Bosnia.
