Emergency transfer from independent hospitals to NHS hospitals: risk, reasons and cost

Conclusions The scale of emergency transfer two per day and resulting cost to the NHS is small. IHPN chief executive David Hare told HSJ every provider, including Care UK, Health Care, Spire Healthcare and the other major players, had signed up to the deal.

Covid Scotland: Private hospitals to treat 'urgent' NHS patients during pandemic

Notifications sent by individuals who are not nominated authorised signatories for the ISHP will not be accepted. In some places there was no access at all to consultant neurologists or nurses.

Britain's NHS secures private hospital capacity 'en bloc' to fight coronavirus

Independent providers will be reimbursed at cost with no profit made and external auditors will verify the public funds being deployed.

Independent hospitals set to bid for up to £10bn worth of NHS contracts

Newspapers were reported as being less favourable and also less reliable than the broadcast media.
