Aid Y H2S and was carrying 15 x 500lb MC. Then we tried to get work on the farms, posing as Belgians, but failed because we had no identification papers. I can remember what I thought then.

## Prisoner of war

Two minutes later, R3800 crashed close to the German seaplane landing area. There was a bed, a table and chair, I was ordered to strip. He was promoted to Warrant Officer2 whilst in captivity.

## A very flawed hero: Douglas Bader

May God bless you and your family; and give you peace in knowing you are offering the opportunity for many to review and properly address some of their past. REMEMBER YOUR RETROACTIVE STARTS THE DAY YOU SIGN UP. The three-position heater controlling switch

was located in the corridor outside the cell and was only accessible to the guards.

### **POW Camps in Germany**

The moral and propagandist potential of the attack was evident, so a press event was mounted by the Air Staff to recreate the landing back from that historic mission soon as possible.
