Lessing's "Ugly Broad Ditch"

Nisbet, who also provides an introduction that sets them in their historical and philosophical contexts.

Lessing's Philosophy of Religion and the German Enlightenment. (eBook, 2003) [mikhmon.us.to]

Toshimasa Yasukata seeks to unravel this mystery.

[PDF] Lessing's philosophy of religion and the German enlightenment : Lessing on christianity and reason

These poetic, theological, dramatic, and philosophical writings illustrate his religious skepticism, his theological critique, his ideal of universal humanity, and certain speculative reflections. The idea of freedom for the theatre against the dominance of its French model; for religion from the church's dogma is his central theme throughout his life. Contributors: Barbara Fischer, Thomas C.

A Companion to the Works of Gotthold Ephraim Lessing on JSTOR

New York, Ungar, 1962, reprinted German Book Center, 2003.

Reasonable Faith

By William Taylor of Norwich.
