## Experiments on the Nervous System by Alexander Monro

Finally, in the fourth period, psychoactive drugs were used more broadly as part of psychopharmacological treatment, and some theories concerning their modes of action were formed, some of which exceeded the limits of traditional medical research. The Project Gutenberg eBook of Experiments On the Nervous System, by Alexander Monro, M.

## Alexander Monro (Secundus)

Behar M, Magora F, Olshwang D et al - Epidural morphine in treatment of pain. However, during this period, more precisely between the 9 th and 16 th centuries, the Muslim Civilization has flourished and has reactivated the study of several arts and sciences, among them Medicine 15. Refresher Courses in Anesthesiology, 1982;10:27-36.
