Hebrew

The world images God, but is not itself God. Contemporary Biblical Art The Hebrew Bible comes back as a subject to be reckoned with by many artists in the latter half of the 20th century and into the beginning of the 21st.

Hebrew

Because we cannot think in abstraction, we make use of metaphor to put abstract ideas into the language of concrete realities. The large-scale art in the synagogue helps to dispel the myth that Judaism historically prohibited visual images.

Hebrew

The Hebrew Bible is a massive work, written by at least 33 contributing authors over the span of at least 1,300 years, and consisting of a wide variety of ancient genres. In examining the paintings, scholars have tried to deduce how the people who created them saw their connection to the text and its application to their lives as Jews.

Robert Alter's New Translation of the Hebrew Bible

The major exception occurred late in his career, when Hadassah Hospital in Jerusalem commissioned Chagall to create 12 stained glass windows representing the 12 tribes of Israel. Alter beautifully explains: Biblical Hebrew, in sum, has a distinctive music, a lovely precision of lexical choice, a meaningful concreteness, and a suppleness of expressive syntax that by and large have been given short shrift by translators with their eyes on other goals.

Hebrew Scripture Art

The former emphasizes the safety of trusting in the Lord, the latter the danger of his holiness to the unholy.

Hebrew Scripture Art

This kind of interpretive art is sometimes called visual—using visual imagery to create an imaginative language that interprets biblical texts through contemporary eyes. First Last E-mail Country 2-letter abbreviation, such as US Preferred Format HTML recommended Plain text. The Hebrew Bible is, at the same time, the word of God, a series of historical narratives nested, one within another, forming a single grand redemptive-historical narrative, and a collection of literary masterpieces designed to burrow their way into the hearts of their readers like living seeds intended to spring up into new creation life.

Robert Alter's New Translation of the Hebrew Bible

British Library The scribal arts have long played a vital role in transmitting Torah. Both are true statements about Yahweh, emphasizing different aspects of his character from different perspectives.
