L'Invention du surréalisme : des Champs magnétiques à Nadja

On the moral plane this process created a confrontation between an ethic of purity and a surrender to compromise; on the aesthetic plane, submission to the ruling language of words, signs or art stood opposed to the refusal of that language, its redirection, subversion, and replacement by the magic of images and objects drawn from the adventure of everyday life.

Artaud's path was already quite clear. As for me, I am not dead, but I am separated from myself

Surrealism

The painters' lobby, never much interested in the political debate, was much relieved to see the movement taking a mystical tack. As a result it was published a year later Nonville: Paul Vermont.

Surrealism

For proof of this, were proof needed, one has only to re-read all the literary testimonials, all the effusive prefaces, all the backscratching puffery that the Surrealists allowed themselves to produce as favours to friends; alternatively, one has only to contemplate the unspeakable exercises in style published in the Surrealist periodicals of the post-war period.
