Persians and other plays

The Persians: My least favourite, about the account of the battle of Salamis and the victory of the Athenians over Xerxes' army, and the latter's curse. For his artistic achievements, Aeschylus is also called the Father of Tragedy and he is praised by the Greek philosopher Aristotle in his famous work, Poetics. It was pretty crazy, but what would you expect from descendants of Zeus and a cow? There are no reliable sources for the life of Aeschylus.

The Complete Aeschylus: Volume II: Persians and Other Plays (Greek Tragedy in New Translations): Aeschylus, Burian, Peter, Shapiro, Alan: mikhmon.us.to: Books

New introductions for each play offer essential information about its first production, plot, and reception in antiquity and beyond. In Prometheus Bound, the defiant Titan Prometheus is brutally punished by Zeus for daring to improve the state of wretchedness and servitude in which mankind is kept. Yes, Prometheus Bound can be read as a rebellion against tyranny, but as such an allegory it is quite thin.

Prometheus Bound and Other Plays by Aeschylus

Power newly won is always harsh. The most important was Cronos, who ruled over the other Titans until his son, Zeus, dethroned him and seized power.
