Art Sculptures for sale

Roman Emperors distributed portrait busts of themselves to every corner of their empire; the Roman Church decorated their cathedrals, abbeys and churches with tens of thousands of statues and relief sculptures to convey the message of the Bible; Pharaohs, Kings and Emperors from Ancient Egypt, Persia, Greece and the modern world, have invested fortunes in monumental sculpture to commemorate success in battle.

History of Sculpture

The discovery of tombs richly decorated in frescos and sculptured details grotesque was so popular that, for two centuries, all artists sought to reproduce countless works and transpose them into the decor of European palaces. Sculptors joined painters in producing works of art reflecting new icons like the machine, as well as new ideologies of design eg.

History of Sculpture

Famous works of include: Dying Gaul by Epigonus; the Winged Victory of Samothrace; by Hagesandrus, Polydorus and Athenodorus 42-20 BCE , and the. Workshop reproductions then raise the issue of attribution: which student did the work and what part of the work was done by the master, who sometimes even signs? Painting on the other hand was undergoing huge and exciting changes. The successors did not hesitate to increase the number of works produced by the artist while still alive by producing a post-mortem original copy without taking into account copies produced before 1968.

History of Sculpture

Renaissance sculptors, in particular, were indebted to their Gothic predecessors. Auguste Rodin The great exception was the incomparable French genius 1840-1917. Acclaimed sculptures of the early 21st century include works by Eduardo Chillida 1924-2002 eg.

History of Sculpture

It began in Florence, being inspired by individuals such as the architect Filippo Brunelleschi 1377-1446 , the sculptor Donatello 1386-1466 , the painter Tommaso Masaccio and the theorist Leon Battista Alberti 1404-72 , and financed by the Medici Family. .
