Videos & Lesson Plans for Drug Education & Awareness

Needle Exchange - A needle exchange program collects used needles and distributes clean needles and other material. Be ready to listen rather than give a lecture.

Materials for School

A large amount of facilities and options out there can often make it difficult to know what to choose. Towers 1987 lists additional in-class prevention activities for all grade levels.

10 Strategies to Prevent Your Young Person from Using Drugs

Kids are less likely to use nicotine, alcohol and other substances if their parents have established a pattern of setting clear rules and consequences.

Primary Education Resources for Teachers

Toronto, ON, Centre for Addiction and Mental Health.

How can the community use the prevention principles in prevention planning?

To do this, you can search for news stories about young people getting caught up with drugs and having to face the consequences and casually bring it up to your teen.

How can the community use the prevention principles in prevention planning?

To develop the factsheet, researchers conducted a review of published research studies reporting on the patterns of use, effects and harms

associated with the drug ecstasy.

Drug Abuse: Prevention Strategies for Schools. ERIC Digest

Doctors don't often prescribe them now because there are safer drugs available.

School

When someone starts smoking, their body feels like it has to have cigarettes and that makes it harder for them to stop doing it.
