'Homogeneous,' 'unique' myths stunt discourse

There is a strong resistance to change in Japan. Here are some examples that busted the myth of modern Japan for us and left us scratching our heads.

Why Is Japan So ... Different?

Just Be Cause appears on the first Community Page of the month. It analyses the Japanese identity and presupposes that the Japanese differ radically from other people in their make-up. Most Japanese myths were gathered in the Kojiki and the Nihon Shoki, records which outline the origins of the monarch and the ruling class.

Top 10 Misconceptions And Myths About Japanese Culture

That was easily disputed after a quick Google search the lecture hall had Internet; welcome to the 21st century. That number marks your origin point, but also determines how much you will pay when you get off.

Age or seniority, gender, educational attainment, and place of employment are common distinctions that guide interaction.

The Myth of Modern Japan Unique Travel Experiences

And that isn't how you keep order now is it? The myths of the Yamato Cycle figure prominently in these cosmologies. He replied that he would father one thousand and children for every thousand she killed.

Japan without the sugar: Nihonjinron

BUT no one cares when you go eat with your friends or your family.
