How to Give Kids Consequences That Work

You can help your body absorb the iron from these foods better when you also eat foods with vitamin C, like an orange.

FOSI Staff & Members Group

Love all people of all religions, races, sexual orientations, and beliefs.

Nevada Tobacco Prevention Coalition: Youth vaping has become state's hidden health crisis

At some point, nearly all children will engage in behavior associated with different genders — girls will play with trucks, boys will play with dolls, girls will hate wearing dresses and boys will insist on wearing them — and gender nonconforming behavior does not necessarily mean that a child is transgender.

Transgender Children & Youth: Understanding the Basics

Motherhood is using your shirt to wipe runny noses and dirty faces. The NIDDK translates and disseminates research findings to increase knowledge and understanding about health and disease among patients, health professionals, and the public.

Talking about difficult topics

We sat down with her numerous times and talked about her attitude until my husband could not take her attitude anymore and scolded her and made a list of rules for her to follow. Think of food as energy to charge up your battery for the day.

Take Charge of Your Health: A Guide for Teenagers

We are Jews my friend. You need to listen to me.
