### Transmedia Frictions: The Digital, the Arts, and the Humanities 978

When he returned to his home that night, Evers was killed, shot in the back by a sniper. THE POSSESSIVE INVESTMENT IN WHITENESS 1  
The Possessive Investment in Whiteness Blacks are often confronted, in American life, with such devastating examples of the white descent from dignity; devastating not only because of the enormity of white pretensions, but because this swift and graceless descent would seem to indicate that white people have no principles whatever.

### Bringing Them Home: The Inner Journey of Your Protagonist

Cortez returns the fire in self-defense and kills the sheriff. These linguistic elements, along with other markings internally generated by a person, reflect the fact that consciousness and short-term memory are dominated by a phonological stream that, together with subvocal rehearsal in intermediate memory, actively structures long-term memory into a proposition-like superstructure i.

### The Genesis of Fiction. Modern Novelists as Biblical Interpreters

Income did not account for these differences; across wealthy and poor communities, the racial disparity held.
