FSHN10

It commonly includes deficiencies of many micronutrients. Approaches to the nutritional support of the older patient.

## Malnutrition in Long Term Care

We would like to acknowledge and thank Dr.

## Development and validation of a short food questionnaire to screen for low protein intake in community

Asia Pacific J Clin Nutr 2008;17:199—207. The non-dominant arm was measured unless the arm was paralysed or otherwise injured. The data extracted from various consumption survey reports of the National Sample Survey Office since 1972-73 to 2011-12 indicated that calorie intake in a majority of the states has witnessed significant changes and reduction over time.

## Nutritional status, energy, protein, and micronutrient intake of older service house residents

Studies of illness in the aged. The intention was to eliminate the influence from MNA and from the objective nutritional parameters. Snijder should leave her post.
