### Learning Styles

But this produces quite the opposite effect. Tomruk graduated from the School of Physical Therapy and Rehabilitation at Dokuz Eylul University in 2009.

### 7 Different Types Of Learning Styles Infographic

Individuals show differences in how well they can distinguish between different forms of information. .

### Undergraduate nursing students' learning styles: a longitudinal study

He reports on a survey of learning- styles research that appeared in the journal, Psychological Science in the Public Interest. Individuals will state that they prefer to learn in a particular style.

### Learning styles

A cross-sectional survey design using a convenience sample was used. The idea is that as learners, all of us have elements of these styles when we learn, although some will be stronger than others.
