## What is community?

Discussion boards have been a staple of online courses for decades.

## Participation, interaction, and academic achievement in an online discussion environment

Social role is indeed mainly a question of position and action in interaction. This moment of transcendence or connection has been explored by various writers — but for me work around encounter and community has been the most suggestive. .

## The Role of Information and Communication Technology in Community Outreach, Academic and Research Collaboration, and Education and Support Services (IT)

Enthusiasm for online discussions varies, even among instructors who use them.

## Why Social Interaction is Important in Online Learning

Regarding roles description, even if some roles we identified were previously mentioned in literature - i. In some cases, discussion boards function along the lines of social networks students are already using.

## What is community?

Structural analysis at the collective and individual level.
