Jorge Luis Borges

Migration of the Borges family to Ireland Some of the Borges family moved to , but this topic is not covered in this excerpt. He thus ordered Cesare, who was in Milan with his army, to pacify large areas of central Italy for the Borgias. Cesare represented the future to Alexander, partly because the other male Borgia children were dying or weak.

Jorge Luis Borges

Stabb proposed in Jorge Luis Borges, his book-length study of the author, that the usual manner of grouping all of Borges's short fiction as short stories was invalid. Borges Agricultural & Industrial Nuts

While many other Popes had been nepotists, Alexander went farther, promoting his own children and had a range of mistresses, something that further fueled a growing and negative reputation. The final sentences—in which Lonnrot is murdered—change the whole meaning of the narrative, illustrate many of Borges's favorite themes, and crystalize Borges's thinking on the problem of time.
