Dr. Pauline Bullen

Students are commonly exposed to experiences of mutual encounters and confrontations with a foreign language and culture in which they reshape or reinforce their socially built beliefs, values, and behaviors against the Other. Her published work with Peter Lang includes *Undoing Whiteness in the Classroom: Critical Educultural Teaching Approaches for Social Justice Activism*, co-edited with Erma Jean Sims 2008 , and *Constructing Critical Consciousness: Narratives that Unmask Hegemony, and Ideas for Creating Greater Equity in Education* 2014.

Dr. Pauline Bullen

Therefore, with the same concern felt by philosophers, education cannot be alien to the call from postcolonial scholars to establish a place where subalterns can speak and engage in some other approaches undertaken by the different disciplines in regard to this matter.

White Identity

Critical incidents for raising cultural awareness. TESOL methods: Changing tracks, challenging trends. Before entering academia, he was a Senior Policy Advisor in the Ontario Ministry of Education, working on equity and social issues.

Dr. Pauline Bullen

Undoing Whiteness in the Classroom is a comprehensive effort to bring together, in one volume, educultural practices and teaching strategies that deconstruct whiteness hegemony, empower individuals to develop critical consciousness, and inspire them to engage in social justice activism.

Can we get the book: Undoing whiteness in the classroom, critical educultural teaching approaches for social justice activism?

These implicit biases permeate not only our individual decisions but also our societal structure.

Can we get the book: Undoing whiteness in the classroom, critical educultural teaching approaches for social justice activism?
