Brad Hurvitz is a Certified Swimming Instructor for My Baby Swims, an adolescent swimming school based in La Jolla, California. Not sure which level to start out on? Runs on standard household current, no batteries required.

Star Wars: The Phantom Menace: The Ultimate Edition (Original Motion Picture Soundtrack)

If it were not for these brave pilots and SAR swimmers several thousand people would have died. You will focus on balance, length, and rotation.

SAR: The US Navy Search and Rescue Swimmers

Because sound permits the establishment of relations between what is seen and heard at each moment, the film image can no longer be said to be a self-contained unit; it interacts with the sound that accompanies it.
