The Destinies of Darcy Dancer, Gentleman

His future is disastrous, his present indecent, his past divine. .

Grove Atlantic

It is hilarious and memorable. And still with each week day at his appointed hour Mr Arland stepped from the trap, lifted his chin and always turned to look down the sloping parkland to the river and then reach into his pocket, take out his big gold watch and regard the time. A frequently hilarious and salacious romp following the adventures and sexual education of a loveable upper class bastard.

Leila: Further in the Life and Destinies of Darcy Dancer Gentleman

This was a hoot early but the story ran out of hootiness for me.

Leila: Further in the Life and Destinies of Darcy Dancer, Gentleman

He learns about love first- and second-hand through the auspices of a broad range of tutors including the brilliant Mr. A shame, really, because the dialogue was spectacular.
