The Origin and Early Development of the Salvation Army in Victorian England

His welfare scheme proposed the establishment of homes for orphaned children, rescue centres for women and girls who were affected by prostitution and sex trafficking, rehabilitation centres for alcoholics and ex-prisoners. If private donors agreed to contribute £100,000, he would establish a number of city workshops and farm colonies to elevate the moral and material condition of the London poor.

Victorian era characteristics. Key & distinctive features of Britain

Within the workshops and colonies, the poor would be required to submit to strict discipline and moral supervision.

Victorian era characteristics. Key & distinctive features of Britain

After the Mission became the Salvation Army, a type of uniform, modelled on Victorian military garb, was adopted. Since theatres could not operate on Sundays, William Booth decided to hire one for the Mission's Sunday services.

The Making of Victorian England by G. Kitson Clark

It is the great Slough of Despond of our time. His intention was to revitalise England's redundant labour within Britain's imperial expansion.
