### Lambton Public Health

Along with the Sarnia-Lambton Economic Partnership, they are working on a shared plan to promote and market these programs in a more collaborative way. The Jump Start Teen Transition committee strives to support families by creating educational opportunities, networking opportunities and a consolidated process for the transition to adult services for youth with disabilities.

### Assertive Community Treatment (ACT)

Supports for Migrant Workers Lambton County welcomes around 200 migrant workers annually. Our vision is to be the recognized leader in helping people develop work and life skills, helping them find work and successfully placing people in the communities we serve. The Tri-County Staff Training and Development Committee is comprised of representatives from various Ministry of Community and Social Services funded agencies.

### Lambton Public Health

In addition, in Sarnia-Lambton, schooling may be taken in French or English.

### Pathways Health Centre for Children

International Student Working Group In 2012, the Sarnia-Lambton LIP met with the to address concerns about settlement and integration challenges for international students in an open forum which led to the creation of the International Student Working Group. Rural Research In 2011, the Sarnia-Lambton LIP conducted research to assess the specific service and support needs of immigrants and newcomers in rural Lambton County. Our mission is to help build healthy and vibrant communities by strengthening the capacity of the voluntary sector through investments in community-based initiatives.
