The Revolt of the Montagnards

If I had stayed in my place, I would have burned alive and would not be here to tell you this story. Genocide was the most recent addition to the expected charges, representing the long-held notion but unproven conviction that the Khmer Rouge committed the crime of crimes. I remained thus among the ruins for two months, till my wounds were healed.

Shining Light Into Dark Corners > News > USC Dornsife

Our friends did not do much for us, not believing we could live.

Petroleumworld, Latin America Energy, Oil and Gas, News and Information

Later as I would visit Doctor Muhamad Bajalani for treatment, I would pay the fee, but then a little later he would send the money back to me.

Five years after the disappearance of more than 130 people in the Far North, families still looking for truth and justice

Note: the list of 130 confirmed disappeared was compiled by Amnesty International based on statements made by family members and identity documents in their possession. It was while I was digging dirt to build a new temple.

Documentation Center of Cambodia (DC

Then they came up and severely wounded me with their short swords, in the shoulder and thigh. We cannot underestimate the brutality of the regime led by Saloth Sar, more commonly known as Pol Pot. Some Ch m territory in Vi t Nam remained intact, in gradually eroding parcels, until 1832.

The Sassun Massacre

The Muslim minorities in Mainland Southeast Asia have been regarded as being problematic, controversial or undesirable.

THE CHAM REBELLION: Survivors' Stories from the Villages, Ysa Osman (2006)

The interviews will be conducted both in Guatemala and with survivors now living in the United States. At that time, it was the very first time in my life when I was completely separated from my family.

Democratic Kampuchea's Genocide of the Chẵm

A Chinese merchant from, Wang Yuanmao, traded extensively with Champa and married a Cham princess. Both groups are and conform to residence practice.
