In theory, geocoordinates act as a pin joining two or more layers. Virtually all descriptions of Renaissance Lisbon allude to what could be termed its cosmopolitan nature, struggling to define the particularity of its identity through its global populations and its global products, and its position as a global news hub.

## L'eucharistie, l'apostat et le crapaud. Sur un exemplum de Césaire de Heisterbach

Ben Quash 25 It is possible, in virtue of a special gift of grace and higher illumination, to attain to a consideration and contemplation of God in all

things which are less than he or, in this selfsame light, to move upwards to ever higher and clearer truths, sensing with interior sweetness that the divine power is yet greater still.
