Bibliography · Technology & Human Trafficking

Abang Morshidi 2000 National Parks of Sarawak.

Women's Bibliographic Resource List II

Health Program Office of Technology Assessment, Congress of the United States. For graphs, there must be a self-explanatory label including units along each axis. The number of people living in the frontier and the amount of land that is frontier will vary depending on the definition of frontier used.

Bibliography of Ontario

Concludes that the difficulties and hazards found in the workfare example can similarly be found in other social policy ideas in the areas of education, child care, healthcare, pensions and unemployment insurance.

Bibliography of Ontario

The perceived seriousness of racial harassment. The implications for college as a liberalizing experience and for efforts to reduce discrimination by hegemonic institutions are discussed. Parallels were found on all 3 dimensions.

Resources: Bibliography and Webography

Sarawak Museum Journal 56: 213-234. Discusses, in three sections, the routes of the revolution in Thatcherism and American conservatism; the impact it has had on the province including social programs, Franco-Ontarians, and labour organizations; and ways in which opponents can respond to the government. P6 M66 2000 Monahan, Evelyn.

Frontier Communities

This study notes that there has been social and political progress in the U.

Bibliography · Technology & Human Trafficking

Language in Society, 23, 163-198.
