Invitation to the 11th ICA Mountain Cartography Workshop International Cartographic Association

I also trained other cartographers as needed.

Call for Papers

See the ICC website for details.

GIS Institute Winter 2022

They may also need a second test when entering a foreign country. October 11-14, 2021 — Brussels The will highlight the early Belgian contributions to the development of cartography worldwide. A detailed file will be sent with hotel, gear and clothing recommendations.

GIS Institute Winter 2022

Michael Conzen will be discussing the production and publication of county atlases, using a number of choice examples from the library's stacks. The talk will touch upon the underlying cultural and psychological frameworks that produce indigenous knowledge systems and note that such systems still exist deep within the human psyche everywhere — and may reflect how we truly perceive the world around us.
