Why are Armenia and Azerbaijan fighting and what are the implications?

So you would like for nobody to die? Take this information, filter it through the written word of God, and ask Him to show you the truth. There were no explanations for the images just a script set to music. What it is for certain is a new tax and a desperate attempt to fight the debt we are free falling deeper into.

Conflicts in Africa—Introduction — Global Issues

Besides that US have a very controversial incentive trough medicare to pay each hospital 13k for a covid patient and 40k if it goes in a ventilator witch may inflate covid numbers.

Conflicts in Africa—Introduction — Global Issues

Greg, Thanks for covering some great issues. And what was the result? Costs explode but life expectancy does not increase significantly. The devil NEVER made me do it regardless of influence of powers and principalities and rulers of the darkness of this age.

World welcomes US President Biden, with some leaders openly expressing relief

Is it possible that various world leaders want to travel to Antarctica just because it is very remote from everything and that few people have ever been there? They have always tried to model influenza outbreaks every year and each time odd outbreaks occur where nobody could predict. The true Catholic Church will have conservative traditionalists practicing in exile with a true Pope.

Conflicts in Africa—Introduction — Global Issues

Put it to the test and hopefully if God is working in us we will be given discernment which is needed these days more than ever. In my opinion this suggests that seemingly separate particles are part of the same system connected together in another dimension.

Why did the world react so hysterically to covid?

Despite the evidence lock downs and masking does not work these policies are being doubled down on. Would not the powers that be salt the alternative community with titillating double or triple entendres? Firstly, stay positive whatever happens. Anyway, I have two theories.

The sun and sky were darkened by the smoke from the Abyss. I have been listening to and reading his books and interviews since around 1993. When my Vet daughter had to relinquish her equipment to the NHS and my dentist son surrendered his PPE stocks, I realised things were serious- this was Mid Feb, preparations were being made as best they could be.
