The walk: Portsoy and Sandend

What would you miss most? At charming Watsons Bay it meets the dramatic entrance to Sydney Harbour. The entrances of four lagoons with their wetland areas are also crossed. What a great view from the top! Other fees: Landing fees or tour fees apply to visit Sydney Harbour islands.

The 14 Best Walks In Sydney You Must Do

Tip: Milk Beach is our pick for the best beach along the walk for a quick stop, but we encourage you to try them all out and decide for yourself! Sydney Harbour is one of the great harbours of the world.

Guide to Sydney Harbour

Then press on until you reach The Spit Bridge; you may even get there in time to see it open and rise to allow boats through. This allowed NPWS to engage with the community and ensure our collections are protected. Anyone looking for a short, peaceful Sydney walk with beautiful bay views and verdant, wide open parks.

Restaurants at National Harbor

There are also plenty of sites with Aboriginal cave art and rock engravings for you to marvel at.

The walk: Portsoy and Sandend

This will include heading to our observation deck for a spectacular view of the harbour as Jon Sanders sails by.

On Not Walking, Part I by Alec Finlay

The rhythm of our walk sets our clock. We actually brought Thanksgiving dinner with us and kept in the fridge. I used to count back and try to guess what event was responsible.
