I believe that we learn by practice. So instead of waiting for the ideal body, I wait for the person whose hand goes up and the ball comes. MUSIC  
STEVE EMBER: This program was written by Elizabeth Stern.

## Martha Graham

Martha Graham, whose style was considered controversial, became one of the finest choreographers and dancers in the dance world. They include expressive movements of the body to tell a dramatic story, special music, lighting, stage design and costumes. It is not your business to determine how good it is nor how valuable nor how it compares with other expressions.

This was not only a dream coming to reality for Graham, but also a big success 43. Instead of dance simply being a physical pursuit, she integrated the academic historical and theoretical elements as well so that a dancer would be well trained and well rounded in all aspects. She began to choreograph, or create the steps of dances.
