De Aeternitate Mundi Contra Proclum (Spanish Edition)

It relies on three premises: 1 If the existence of something requires the preexistence of something else, then any one thing will not come to be without the prior existence of the other. Later on in the West, the arguments against the eternity of the world also persuaded Bonaventure 1217—1274 and Gersonides 1288—1344 , and impetus theory was reaffirmed by Buridan 1300—1361 and his pupil Oresme 1325—1382. Understanding the contested concepts within this debate i.
